Wet bread is an awful thing.

It’s unappealing in every way. You can’t make a sandwich out of it, you can’t even pick it up. Trying to pick up wet bread, it quickly tears and dissolves into mush. What a waste...But, what is it about bread that God keeps bringing it up over and over again in scripture? Why is important for us to look for it, be willing to risk it? *“Cast your bread on the surface of the waters, for you will find it after many days” Ecclesiastes 11:1 NASB*
